

**APPLICATION FOR RADIOACTIVE MATERIAL USE
SUBPERMIT HOLDER
PERSONAL DATA FORM**

INSTRUCTIONS: This form should be completed and submitted to the Radiation Safety Office.

DATE _____

1. NAME _____ TELEPHONE _____

2. DEPARTMENT _____ 3. BUILDING _____ ROOM _____

4. List degrees and/or certificates you have earned (or number of years of college attended).
A copy of your curriculum vitae, transcript, or highest degree is required.

5. Have you been licensed for use of radioactive materials at locations other than USA?

Yes No

If yes, state the location(s), dates, radionuclide(s), chemical form(s), possession limit(s),
and whether for human use.

6. Have radiation exposure records been maintained for you at these locations?

Yes No

If yes, list the location(s) and dates. If the exposure records have been maintained under a
name different from that given in Item 1, please indicate.

7. List formal training received in Radiation Safety or Radionuclides Techniques. This should
include: title of course, institution where course was taken, and dates attended. A letter,
certificate, or transcript, verifying course completion should accompany this application.

8. I certify that I have read and understand the University of South Alabama Radiation Safety
Procedures Manual. Every individual working with radioactive materials under my
supervision will be required to read this manual and attend an orientation course. No one
under 18 years of age will be permitted to work with radioactive materials without approval
from the Radiation Safety Officer.
